

# Leslie Carter, Shy Guy

Spoken: This is a story about a shy guy  
But I can't say his name...

Got your picture on my wall  
Along with all the other things I treasure  
They don't measure up to you  
My friends don't understand  
What it is that makes you so special to me  
The little things that they can't see

Pre-Chorus  
Quietly perfect and  
Totally worth it  
If they only knew  
What I know about you

Chorus  
Mr. Shy Guy, Mr. Nice Guy (Shy Guy)  
What am I to do?  
Wanna tell you all my secrets  
I wanna be with you (I wanna be with you)  
Mr. Shy Guy, Mr. My Guy,  
Would you believe I gotta crush  
So huge (so huge), Shy Guy  
On you

Do do do, do do do,  
Do do do do do do do do

Have you ever noticed me?  
Is it strange the way I'm always where you are?  
There's a reason I'm not far  
It's cuz I'm so in love with you  
I'm not too shy to say it too,  
I'm scared to say it to you

Pre-Chorus - repeat

Chorus- repeat

Do do do, do do do,  
Do do do do do do do do,  
Do do do, do do do,  
Do do do do do do do do

Bridge  
Ohh-oh,  
What's behind those big brown eyes?  
What part of you have you disguised?  
I wanna see your everything,  
Don't hide, baby,  
Don't be shy

Chorus - repeat 3x

Do do do, do do do,  
Do do do do do do do do,  
Do do do, do do do,  
Do do do do do do do do

Shy guy

Spoken: Shy guy, you know who you are.
