Leslie Carter, They Don't Know

You've been around for such a long time now
Oh baby, I could leave you but I don't know how
And why should I be lonely every night
When I could be with you oh yes you, make it right
And I don't
Listen to the guys who say
That you're bad for me and I should turn you away

Cuz they don't know about us,
They've never heard of love

I get a feeling when I look at you
Wherever you go now I wanna be there too
They say we're crazy, but I just don't care
And if they keep on talking still they get no where

So I don't
Mind if they don't understand
When I look at you when you hold my hand

Cuz they don't know about us,
and they've never heard of love
Why should it matter to us if they don't approve
We should just take our chances while we've got nothing to lose

Baby
There's no need for living in the past
Now i've found good lovin' gonna make it last
I tell the others don't bother me
cuz when they look at you they don't see what i see

No I don't
listen to their wasted lines
got my eyes wide open and i see the signs
Cuz they don't know about us
They've never heard of love
No I don't
listen to their wasted lines
got my eyes wide open and I see the signs

Cuz they don't know about us
They've never heard of love
