

# Less Than Jake, Grandma Got Run Over By A Reindeer

grandma got runover by a reindeer  
walking home from our house christmas eve  
you could say theres no such thing as santa  
but as for me and grandpa we believe

she'd been drinking too much egg nog  
and we begged her not to go  
but she forgot her medication  
and she staggered out the door into the snow

when we found her the Christmas morning  
at the scene of the attack  
she had hoofprints on her fore head  
and incriminating Clause marks on her back

but as for me and grandpa we believe

now we're all so proud of grandpa  
he's been taking this so well  
see him in there watching football  
drinking beer and playing cards with cousin Nel

its not christmas without grandma  
all the family's dressed in black  
and we just cant help but wonder  
should we open up her gifts or send them back?  
(send them back!)

but as for me and grandpa we believe

now the goose is on the table  
and the pudding made of fig (ah!)  
and the blue and silver candles  
that would just have matched the hair in grandmas wig

i've warned all our friends and neighbours  
better watch out for yourselves  
they should never give a license  
to a man who drives a sleigh and plays with elves
