

Less Than Jake, Jen Doesn't Like Me Anymore

Jen thinks it isn't fair that I don't really care
If she likes me or not
And Jen doesn't like to settle
Until she makes me feel like Howie Reynolds
She thinks that I'm all that I've got
No Jen doesn't like me anymore
Jen doesn't like to go to the shows,
She doesn't like my whoa - whoa's.
Jen doesn't like me anymore.
