

Less Than Jake, Last One Out Of Liberty City

Last one out of Liberty City,
Burn it to the ground.

I know, I know, I know.
I know just who I am.
It was in my head,
is that I don't really give a damn.
Just who you think I am.
Just who I am, just who I am.
(Just who I!)

I know there comes a time
when you lost faith
in what you believe inside.
(What you have inside.)
And did you know somehow,
its just not smart enough to start.
(It gets up from the ground.)

The other day, this girl
came up to me and asked.
If she used to go to school with me
I kinda laughed. She said
wasn't I the guy her friends always
called a waste of time.

I know, I know, I know.
I know just who I am.
It was in my head,
is that I don't really give a damn.
Just who you think I am.
Just who I am, just who I am.
(Just who I!)

Well it's time to think about
where I'll be ten years from now.
(Ten years from now!)
I wonder if the media knows
I call myself washed up, not watered down.
(Just water on the ground!)

The other night, this guy
came up to me downtown.
And can't believe after five years
I'm still around. And he said
wasn't I the guy who walked these streets all night,
such a waste of time.

I know, I know, I know.
I know just who I am.
It was in my head,
is that I don't really give a damn.
Just who you think I am.

Just who I am, just who I am.
(Just who I!)
Just who I am, just who I am.
(Just who I!)
Just who I am, just who I am.
(Just who I aaammmmm!)

WOAHOW!
