## Less Than Jake, National Anthem

does being in debt feel just like a long lost friend well just wait around cause the desperation's kicking in, and its already starting to mix with one of and it's called i'll be getting by and i'll make ends meet does the forty hour week have you bent at the ever get that funny feeling that your future is not going to be bought cheap, and that for sale sign the and it's called i'll be getting by and i'll make ends meet does the forty hour week have you bent at the my american dream is to have it a little bit better than my parents ever had it [x2] my american is to have it a little bit better than my parents ever had it
