## Less Than Jake, We're All Dudes

(feat. Kel Mitchell)

It's time to put hard times behind Get all the bad things off your mind

He's feeling good she's feeling good we're feeling good, yeah

Just hanging out just having fun we're number one just hanging out just having fun

[Chorus:] I'm a dude he's a dude she's a dude we're all dudes, hey [x2]

There's nothing better than your friends there's no problem you can't win someone who's always got your back not giving about this and that

Just hanging out just having fun we're number one just hanging out just having fun

[Chorus (x2)]

It's all about meeting new faces a smile is on your face and you can't erase it partying on, it's going on partying on, to the break of dawn

It's time to put hard times behind Get all the bad things off your mind

Just hanging out just having fun we're number one just hanging out just having fun

Just hanging out just having fun we're number one

"Uh, wait what are we doing now? Uh, yo, we're breaking it down... Rock on dude, haha" [Chorus]
