

Letter Kills, Village Anthem

Some nights will never change my mind
well I think that you deserve it
so this time Ill make sure youre hurt
And I hope you never deserve
anyone that brings you down
youre so special

lets take em down

You make it so much easier to believe in miracles
the villages are screaming (the villages are screaming)
You make it so much easier to believe in miracles
the villages are screaming (the villages are screaming)

If life starts with the ocean

the waves that keep them sinking

Some things will never change my life

well I think that you deserve it

so this time Ill make sure youre hurt

And I hope you never deserve

anyone that brings you down

youre so special

lets take em down

You make it so much easier to believe in miracles
the villages are screaming (the villages are screaming)

You make it so much easier to believe in miracles

the villages are screaming (the villages are screaming)

If life starts with the ocean

the waves that keep them sinking

(Can you feel it, do you feel it)

Do you feel it?

Youre so special

Youre so special

Youre so special

You make it so much easier to believe in miracles

the villages are screaming (the villages are screaming)

You make it so much easier to believe in miracles

the villages are screaming (the villages are screaming)

if life starts with the ocean

the waves that keep them sinking

the waves that keep them sinking

the waves that keep them sinking
