

# Letters To Cleo, Because Of you

I can stand here and do this again I can say  
It but where to begin I know that I'm caving in  
Because I'm heavy I'm heavy so the wonder  
Of you is done I'm tired and bloody and good  
To be gone I know that you did me wrong 'cause  
I'm ready I'm ready as for the part about having  
Something more let's not pretend it's like it was  
Before I wish I could say that it's not because of  
You but it's because of you I've a dark and  
Snowy remembrance of this but remind me again  
Of what i'm gonna miss when all you do is let me  
Down you better tell me something and tell it to  
Me now as for the part about having something  
More let's not pretend it's like it was before I Wish  
I could say that it's not because of you but it's  
Because of you and are you sorry as for the  
Part about having something more let's not  
Pretend it's like it was before I wish I could Say  
that it's not because of you but it's all because  
of you it's all because of you and light went  
black and i got scared
