

# Letters To Cleo, Fast Way

Why you gotta sit in my easy chair. What makes you think that I would care? When I say to you - what are you going to do? So I got you to at least say please, that's how I know that you're on your knees. But I'm thinking too. What am I gonna do. To not take the fast way it evens out every time. God how I love a boy on the go and what you've got I just have to know. (And) 'cause what else is there to say (when) it's such a sunny day. So I got you to at least say please that's how I know that you're on your knees. But I'm thinking too, baby, are we through? To not take the fast way it evens out every time.
