

Letters To Cleo, Girls Rule Boys Drool

Boys, always b-b-bouncing off the wall.
Yeah, boys! Mouth real big and brain too small.
Boys try not to cry when they fall.
B-b-b-boys, they've got no sense at all.

Girls are so much funner
And so much easier to be with.
Girls don't always want to start a fight.
Girls are just plain better
And it's easier to agree with
Someone who is almost always right.

Girls Rule! Boys Drool!
Girls Rule! Boys Drool!
Girls Rule! Boys Drool!

The boys can't help it if the girls are cool!
The boys can't help it if the girls are cool!
