

Letters To Cleo, Mellie's Comin Over

And as I stood in the place
where I once saw a friend standing,
I didn't mean to run away from you.
I almost lost the chance to save myself.

(chorus)
Mellie's coming over,
she's coming over,
Mellie's coming over, yeah.

Not really lucid but wide awake,
a kind word to snap me out of it
is all that I know it would take from you,
if I knew you really wanted to.

chorus

Hey, where's everybody going?
I can't stay here all alone when
it's been such a long time since I've had this much to say.
Hey, where are you going?
You can't leave me alone and I guess I feel
a little silly but Mellie, can't you stay a little while?
