

Level 42, Talking In Your Sleep

Oh baby you've been talking in your sleep
I've been lying here listening to a secret you had meant to keep
inside of you were you dreaming of his face
I can't begin to take it in, I even know the time and the place
Like the scene in the film that removes all doubt
There's a shot of a man who wakes with a shout
As he steps from a dream he figures it out
That's me today
At the end of a book when the plot unfolds
But the lines on the page leave a tale untold
of the spy who never came in from the cold
That's me today yeah
Talking in your sleep
Talking in your sleep
Oooooooooohhhhhhhhhh
The force of love sometimes hard to resist
But I never thought I'd see the day
Never thought we'd come to this
So angry now and I'm sure you'd feel the same
I heard it said you took his bed though you barely knew his name
Like the boy leaving home with a hole in his heart
Tries to fill up the void with a brand new start
Not a day goes by when he's not torn apart
That's me today
Like the way that it looks in a seaside town
When the shutters go up and the flags come down
And the beaches are bare and there's no one around
That's me today yeaahhhh
(laughing)
Talking in your sleep
Talking in your sleep
Talking in your sleep
Talking in your sleep
Talking in your sleep
Talking in your sleep
Talking in your sleep
Talking in your sleep
