

Level 80 Elite Tauren Chieftain, Power of the Horde

Storm, Earth and Fire, heed my call!
I am the son of the wind and rain,
Thunder beckons and I heed the call.
If I die upon this day,
In battle I will fall.
Hear me brothers gather up the wolves,
To battle, we will ride.
War drums echo the beating heart,
Pounding from inside.

STORM

Black clouds fill the sky.

EARTH

I hear my battle cry.

FIRE

Thunder we'll bring forth...

DEATH

From the power of the Horde...

Far Seer to the Warsong Clan,

To no man will I kneel.

Feel the power and the energy,
Born of black blood, honor, and steel. ☐

I feel the fire burning in my veins,

Lightning strikes at my command.

By storm and earth, axe and fire,

We come to claim this land.

Yeeeeaaaahhhh!

Surrounded by the enemy,

The wolf among the hounds.

Thunder turns to silence it,

Took the hundred to bring me down.

Wolf brothers falling at my side,

With honour I will die.

Upon the Altar of the Storms,

I will be reborn.

STORM

EARTH

FIRE

DEATH

The power of the Horde...
