

Lexie Liu, dance danc

Turn it up, real loud, she yelled at me
Here, she can now, she can now, dance, dance
My eyes on you
Come get me saved
Here, she can now, she can now, dance, dance

Don't know why I'm shy
I kill every vibe
Stay home Friday nights
They take me out I'll just cry

Don't know why I'm shy
I kill every vibe
Stay home Friday nights
They take me out I'll just cry

Guess what you need isn't always what you want from me (want from me)
All that I need is just a little bit of lovin' from your side, yes you know
And it's never too late to fix my heart for you but I don't need that(I don't need that)
Say what you mean cuz I can take it better now...
Just wanna be on my own!

Dance

Dance
She can now, she can now, dance, dance
Here
She can now, she can now, dance, dance
She can now, she can now, dance, dan-dance

(Might as well cry on the dance floor, too)
Here, she can now, she can now, dance, dance

(I lost sight of you)
Here, she can now, she can now, dance, dance

Don't know why I'm shy
I kill every vibe
Stay home Friday nights
They take me out I'll just cry
