I dont want
kiss tonight
i dont want
kiss tonight
I want you
come up to my room and have too much fun
why dont you stay
lets play!
you think of a better way
lets go
lets go
lets go
dont waste my time, lets go
show me yours, i'll show you mine
lets go
lets go
lets go
want you
come up to my room and have too much fun
why dont you stay
lets play!
you think of a better way
lets go
lets go
lets go
read my mind
dont waste my time, lets go
show me yours, i'll show you mine
lets go
lets go
lets go
strow like - dj's like....
