

# LFO, Girl On TV

ooh,Yeahhhh,  
I'm wishin' on a fallin' star...  
wonderin' where you are....I wish...

I wish for you on a fallin' star  
wonderin' where you are  
do I ever cross your mind in the warm sunshine  
She's from the city of angels  
Like Betty Davis, James Dean, and Gable  
Never know what she means to me  
I fell for the girl that's on TV

Met her at a counter affair,  
she wore a green dress,  
and everybody was there,  
felt out of place till she looked  
into my eyes.  
Shook your hand around 9 P.M. about  
never gonna be the same again.  
Never had to be on a movie screen  
to be the leading lady in all my dreams...  
Shooby-doo-wop, and scobby snacks,  
met a fly girl and i can't relax,  
the only problem is she's a movie star,  
Oh, my friends, they won't believe me, if  
they could only see me, at the risk of sounding  
cheesy, i think i fell for the girl on TV. I wish...

I wish for you on a fallin' star  
wonderin' where you are  
do I ever cross your mind in the warm sunshine  
She's from the city of angels  
Like Betty Davis, James Dean, and Gable  
Never know what she means to me  
I fell for the girl that's on TV

Everybody knows her name,  
Wanna take a picture and  
their glad she came,  
But I just want to be there when  
she's down, down (Be there when she's down)  
I don't want her autograph, I just want to call her up and make her laugh,  
Never had to be on a movie screen,  
To be the leading lady in all my dreams.  
Shooby doo-wap & scooby snacks,  
I met a fly girl and I can't relax  
The only problem is she's a movie star,  
Oh...  
My friends they won't believe me  
If they could only see me,  
At the risk of sounding cheezy  
I think I fell for the girl on TV. And I wish...

I wish for you on a fallin' star  
wonderin' where you are  
do I ever cross your mind in the warm sunshine (cross your mind)  
She's from the city of angels  
Like Betty Davis, James Dean, and Gable  
Never know what she means to me  
I fell for the girl that's on TV (fell for the girl on TV)

I'm wishin' on a fallin' star....(I'm wishing on a star... and wondering where you are)  
wonderin' where you are  
Do i cross your mind? In the warm sunshine?

Yeah, So I wish for you on a bright shining star,  
Every where I look there you are, There you are  
It's the girl in the green dress,  
She took my breath away, And now I look to the sky,  
For a better day, To the beach shore and scooby snacks,  
I met a fly girl and I can't relax,  
Never had to be on a movie screen  
Cause she's the leading lady in all my dreams.

I wish...

I wish for you on a fallin' star (I wish for you on a fallin' fallin' fallin' fallin' star)  
wonderin' where you are  
do I ever cross your mind in the warm sunshine (do I do I)
