

Li Ann, Pop The Cherry

Listen to me minee
In ne minee minee mo
Get you where you wanna go
threat me like an animal
We dont need a car when we date
you can pick me up honey on your skates
Look the skin to the touch
When Im kissing candy lips
cant get enough
smile at you so you smile at me
Will you take me to you house up in the tree
I just wanna let you know

Lets shake our rump
To the funky monkey beat
Lets shake it up
bright eyed bushy tailed
buy the cookies that you sale
spin the bottle truth or dare
