

Liam And Me, Fast As You Can

I know exactly who you are. I know as far as you may go. But you're trying too hard, yeah you're trying

I know exactly what you want. At least I'm pretty sure I do. But you stay here with me, and there's something

I say now fast as you can go, you better get in your car. And you may not miss me as you try as you

I know exactly who I am. It's not exactly who I was. Yeah I made my mistakes and I learned to live with

I hear your talking in your sleep. I see you staring at the door. If there is any chance, you should pick

I say now fast as you can go, you better get in your car. And you may not miss me as you try as you

I don't want to lose it all tonight, (right now I feel it taking over) And I think the same each time I see

I don't want to lose it all tonight, (right now I feel it taking over) But the slightest thing can happen n

Get going fast as you can.

Fast as you can go, you better get in your car. (maybe you could be the only one) And you may not
