Liam Gallagher, C'mon You Know

Come on, you know It's gonna be alright
And we're gonna dance all night
Come on you know

Get up, stand up if you feel alive
I only wanna see you smile
Come on you know

Beautiful people, come out to play
Brothers and sisters, it's time
So let's start living, be thankful and give in
We're only here for a short while
I think it's coming home again

Show love, I'm sick of acting like I'm tough
Come on baby gives a hug
Come on you know

Feel love, I can feel It everywhere
So get your hands up in the air
Come on you know

Beautiful people, come out to play
Brothers and sisters, it's time
So let's start living, be thankful and give in
We're only here for a short while
I think it's coming home again
I think it's coming home again
I think it's coming home again
I think it's coming home again

Beautiful people, come out to play
Brothers and sisters, it's time
So let's start living, be thankful and give in
We're only here for a short while
I think it's coming home again

I think it's coming home again
I think it's coming home again
I think it's coming home again
I think it's coming home again
