

# Liam Lynch, Still Wasted From The Party Last Night

I was on my way to work, when I realised i'm wasted,  
still wasted from the party last night,  
So I kicked back my seat and I loosened my tie,  
i'm wasted (he's wasted),  
Still wasted from the party last night,

The guys in the office might criticise me,  
for lookin like hell and smellin like a brewery.  
but i'm wasted (he's wasted),  
Sitting here in traffic, and i'm wasted (he's wasted),  
Still wasted from the party last night,

I'm only wearin one shoe, theres no denyin it,  
i'm wasted (he's wasted),  
Still wasted,  
But while I smoke behind my ear,  
and realise it was lit,  
i'm wasted (he's wasted),  
Still wasted from the party last night,

Sitting here in morning traffic,  
I could go to work or I could just pass it by,  
Cause i'm wasted (he's wasted),  
Still wasted from the party last night,

I'm wearin my bedsheets like a cape and a cowboy hat,  
(he's wasted)  
and naked,  
But if I don't go to work how will I pay my tab,  
I'm wasted (he's wasted)  
Still wasted from the-  
I said i'm wasted and party when the somethin thats done-  
wait -sted somethin,  
Party last night
