

# Liars Academy, The Brickwall Will Always Win

Dark days in the back of my mind  
It's a lie  
Right now it's a facet of time  
In the pouring rain  
St. Louis is a long way home  
From here  
Back down to the problem at hand  
A broken hand  
According to me  
This is the best thing that we have  
According to me  
This is the last thing that we need  
Midnight and we're lacking light  
To shine  
All you wanted to backroom chance  
Tonight  
The parking lot is a boxing ring  
The wall and me  
Back down to the problem at hand  
A broken hand  
Tonight was the last night  
We fight  
Did you go and hurt your hand  
The brick wall will always win  
You are  
Right now  
Back of my room  
It's nice  
And you are  
These things you say  
Good bye  
Lacking  
Light to shine  
Lacking time
