

# Liege Lord, Kill The King

(Blackmore, Dio, Powell (Elite Music))

Danger, danger - Queen's about to kill  
There's a stranger, stranger - and life about to spill  
Oh no! Move me out of harm  
I need a spell and a charm, Fly like the wind  
I'm a pawn, so be gone, speed on and on

Kill the King, tear him down  
Kill the King, strike him down

Treason, treason - The spectre looms again  
treason, reason - The realm is safe and then  
Oh no! Move away from harm  
I need a spell and a charm, Fly like the rainbow  
I'm a pawn, so be gone, speed on and on

Kill the King, tear him down  
Kill the King, go take his crown - down

Kill the King  
He'll rule no more, strike him dead  
The people roar  
Kill the King, take his head  
Down, down, down, down  
Oh kill, oh kill, oh kill, oh - oh
