

Life Long Tragedy, Make Or Break

Has your heart ever skipped a beat?
Have you ever had to face hardships?
Did you ever have to overcome your fears and make sacrifices? Who we are and what we want to
is nothing without the heart to see,
that where were going is our own destiny,
not another's life that was chosen for me.
We keep on fighting to save ourselves,
but we keep forgetting everyone else.
I've seen the view from the bottom.
There was a time when I let myself sink.
Dying to be saved by someone,
instead of living to the best of my ability.
This world is what you make it.
This life is what you make it.
The choice is up to you, whether you love or hate it.
This world is what you make it.
This life is what you make it.
The choice is up to you, whether you make or break it.
Ill live my life for me.
And were still fighting,
slowly gaining ground.
Choosing our own battles by making our own sound.
