

Lifehouse, Breathing

I'm finding my way back to sanity again
Though I don't really know what
I'm gonna do when I get there
Take a breath and hold on tight
Spin around one more time
And gracefully fall back to the arms of grace

'Cause I am hanging on every word you say
And even if you don't want to speak tonight
That's all right, all right with me
'Cause I want nothing more than to
Sit outside Heaven's door and listen to you breathing
Is where I want to be, yeah...
Where I wanna be...

I am looking past the shadows
In my mind into the truth and
I'm trying to identify
The voices in my head
God, which one is you
Let me feel one more time
What it feels like to feel alive
And break these calluses off of me
One more time

'Cause I am hanging on every word you say
And even if you don't want to speak tonight
That's all right, all right with me
'Cause I want nothing more than to sit
Outside your door and listen to you breathing
Is where I want to be, yeah...

I don't want a thing from you
Bet you're tired of me, waiting
For the scraps to fall
Off of your table to the ground
La Da Da La Da Da Da Da
'Cause I just want to be here now

'Cause I am hanging on every word you're sayin'
Even if you don't wanna speak tonight, that's alright, alright with me
'Cause I want nothing more
Than to sit outside Heaven's door
And listen to you breathing
It's where I wanna be, yeah...(x2)

Where I wanna be...
Where I wanna be...
