

Lifehouse, I live my life for you

'know you're everything to me
and I could never see
The two of us apart
And you know I give myself to you
and no matter what you do
I promise you my heart
I've built my world around you
and I want you to know
I need you like I've never needed anyone before
I live my life for you
I want to be by your side in everything that you do
And if there's only one thing you can believe is true
I live my life for you
I dedicate my life to you,
you know that I would die for you
But our love would last forever
And I will always be with you
and there is nothing we can't do
As long as we're together
I just can't live without you
and I want you to know
I need you like I've never needed anyone before
I live my life for you
I want to be by your side in everything that you do
And if there's only one thing you can believe is true
I live my life for you
I live my life for you
