

Lifehouse, I Want You To Know

When will the cycle stop
When will the story end
This is where I get lost
I can't go there anymore
Its to hard to ignore the signs
where do these tears come from
it feels like they never dry
what have we both become
we are strangers in time
where blood is our only tie
And I want you to know
That I loved you most
And it breaks my heart to see you go
I wanted to make you proud
I wanted to see you smile
But it wasn't good enough yeah
And I want you to know
That I loved you most
And it breaks my heart to see you go
And I want you to know
That I loved you most
And it breaks my heart to see you go
When will the cycle stop
When will the story end
This is where I get lost
