

Lifehouse, Sick Cycle Carousel

If shame had a face I think it
would kind of look like mine
If it had a home would it be my eyes
Would you believe me if I said I'm tired of this
Well here we go now one more time

I tried to climb your steps
I tried to chase you down
I tried to see how low I could get it down to the ground
I tried to earn my way
I tried to tame this mind
You better believe that I tried to beat this

(CHORUS)
So when will this end it goes on and on
Over and over and over again
Keep spinning around I know that it won't stop
Till I step down from this for good

I never thought I'd end up here
Never thought I'd be standing where I am
I guess I kinda thought it would be easier than this
I guess I was wrong now one more time

I tried to climb your steps
I tried to chase you down
I tried to see how long I could get it down to the ground
I tried to earn my way
I tried to tame this mind
You better believe that I tried to beat this

(CHORUS)
So when will this end it goes on and on
Over and over and over again
Keep spinning around I know that it won't stop
Till I step down from this for good

Sick cycle carousel
This is a sick cycle, yeah
Sick cycle carousel
This is a sick cycle, yeah

(CHORUS)
So when will this end it goes on and on
Over and over and over again
Keep spinning around I know that it won't stop
Till I step down from this for good

(CHORUS)
So when will this end it goes on and on
Over and over and over again
Keep spinning around I know that it won't stop
Till I step down from this for good

Sick cycle carousel
