

Lifehouse, Spin

Why would i chase your shadow all my life
And be afraid of my own
I'd rather be with you
I'd rather not know
Where I'll be than be alone and convinced that I know

And when the world keeps spinning round
My world's upside down
and I wouldn't change a thing
I've got nothing else to lose
I lost it all when I found
you and I wouldn't change a thing
No, you and I wouldn't change a thing

Everything I know has let me down
So I will just let go
Let you turn me inside out
'Cause I know I'm not sure
'bout anything
But you wouldn't have it any other way

When the world keeps spinning round
My world's upside down
and I wouldn't change a thing
I've got nothing else to lose
I lost it all when I found
you and I wouldn't change a thing
No, you and I wouldn't change a thing

Spinning Turning Watching Burning
All my life has found it's meaning
Walking, Crawling, Climbing, Falling
All my life has found it's meaning

You and I wouldn't change a thing
No, you and I wouldn't change a thing

When the world keeps spinning round
My world's upside down
and I wouldn't change a thing
I've got nothing else to lose
I lost it all when I found
you and I wouldn't change a thing
No, you and I wouldn't change a thing
No, you and I wouldn't change a thing
