

Lifehouse, Today

me and my mind we would take a walk
turn around, see someone I've never seen
and I smile, until this make me
and say

I'm gonna wait till tomorrow
or maybe today
I'll take it anyway
gotta take it down everyday and I'm
gonna be fine
I'll take it anyway
cause today I'm not afraid to take
my time

I don't know what it's like to make up the rules
too many times you can fall till you get a clue
say your goodbye
take no keys to the past
and I try to hold on to see how long it will last
and say

I'm gonna wait till tomorrow
or maybe today
I'll take it anyway
gotta take it down everyday and I'm
gonna be fine
I'll take it anyway
cause today I'm not afraid to take
my time

forget your problems
pick up the pace
just turn up the radio
and drive away

I'll take it anyway
gotta take it down everyday and
I will take it anyway
cause today I'm not afraid to take
my time
my time
my time
my time
