Lifer, Ugly

no use running i see you there no use hiding or lying i'm becoming you i'll be all that i'll be beautiful, pitiful beautifully, pitiful look at yourself what do you see now? ugly somehow i am ugly you are ugly we're all ugly in the mirror. clear day sunny day now cloudy day, good day my pain lasting too long but i love what i've become beautiful, pitiful beautifully, pitiful look at yourself what do you see now? ugly somehow i am ugly you are ugly we're all ugly in the mirror. i'm not mentioning any names. look at yourself what do you see now? ugly somehow i am ugly you are ugly we're all ugly in the mirror. i am ugly you are ugly we're all ugly in the mirror.
