

Ligabue, Long Train Running

(Doobie brothers)

Down around the corner
a half a mile from here
You see them old trains runnin'
and you watch them disappear
Without love
where would you be now
Without love
You know I saw miss Lucy
down along the tracks
She lost her home and family
and she won't be comin' back
Without love
where would you be now
Without love
Well the Illinois Central
and the Southern Central Freight
gotta keep on pushin' mama
'cause you know they're running late
Without love
where would you be now
Without love
Well the Illinois Central
and the Southern Central Freight
gotta keep on pushin' mama
'cause you know they're running late
Without love
where would you be now
Without love
Where the pistons keep on charmin'
and the wheels go round' and round'
And the steel rails are cold and hard
for the miles they go around
Without love
where would you be right now
Without love
where would you be now?
Got to get it baby wont you move it down?
Won't you move it down?
Baby baby baby baby wont you move it down?
When the big train run
and the train is movin' on
I got to keep on movin'
Keep on movin'
Keep on movin'
Gonna keep on movin'
