

# Light House Family, Lost In Space

Sometimes I get tired of this me first attitude  
You are the one thing that keeps me smiling  
Thats why Im always wishing hard for you

cause your life shines so bright  
I dont feel no solitude  
You are my first star at night  
Id be lost in space without you

And Ill never lose my faith in you  
How will I ever get to heaven, if I do

Feels just so fine  
When we touch the sky me and you  
This is my idea of heaven  
Why cant it always be so good

But its alright, I know youre out there  
Doing what youve gotta do  
You are my soul satellite  
Id be lost in space without you

And Ill never lose my faith in you  
How will I ever get to heaven, if I do

And Ill never lose my faith in you  
How will I ever get to heaven, if I do

And Ill never lose my faith in you  
And Ill never lose my faith in you
