

# Lighthouse Family, Ain't No Sunshine When She's Gone

Ain't no sunshine when she's gone  
It's not warm when she's away  
Ain't no sunshine when she's gone  
And she's always gone too long  
Anytime she goes away

I wonder this time where she's gone  
I wonder if she's gone to stay  
Ain't no sunshine when she's gone  
And this house just ain't a home  
Anytime she goes away

And I know  
I know (x20)  
Yeah I ought to leave the young thing alone!

But ain't no sunshine when she's gone  
Only darkness everyday yeah  
Ain't no sunshine when she's gone  
And this house just ain't a home  
Every time she goes away

{musical interlude}

Ain't no sunshine when she's gone  
It's not warm when she's away  
Ain't no sunshine when she's gone  
And she's always gone too long  
Anytime she goes away

{Repeat 9 times to finish}
