

# Lighthouse Family, End Of The Sky

Would you like to go somewhere unbelievable?  
Where the great big blue sky seems to last forever  
Cos I feel like I'll leave it all behind  
Living in the sunshine, that's where I'm going  
And I don't think there's anything here that I'll be missing, do you?  
No, I don't think there's anything else to do

So bring on the sunshine  
We're gonna fly to the end of the sky

I've got to go cos I ain't indestructible  
And I feel like I'm breaking  
Running round for nothing  
But I'll be all right  
I'm not a million miles from seeing the daylight  
That's where I'm going

And I don't think there's anything here that I'll be missing, do you?  
No, I don't think there's anything else to do

So bring on the sunshine  
We're gonna fly to the end of the sky

Bring on the sunshine  
We're gonna fly to the end of the sky

So bring on the sunshine  
We're gonna fly to the end of the sky

Bring on the sunshine  
We're gonna fly to the end of the sky

So bring on the sunshine  
We're gonna fly to the end of the sky
