

# Lighthouse Family, Goodbye Heartbreak

Don't be blind  
In all the fated life  
Something great is happening in your life  
But all the noise  
Is drowning out your voice  
No wonder you've been feeling down  
From time to time  
You know that you'll survive  
The day you realise  
You can't stop day from turning into night

Hey, you know you're gonna live  
To find another day,  
It's just today things ain't so good.  
Get yourself back again,  
You've got so much love  
That you can't afford to lose

Goodbye Heartbreak  
Don't look for me  
'Cause I don't need you now  
So long heartache  
Don't look for me  
'Cause I don't need you now.  
I don't need you now  
I don't need you now  
I don't need you now  
Hey  
I don't need you now  
I don't need you now  
I don't need you now  
Hey.

Do you remember as a girl,  
You had a picture of the world  
And you'd think about the great things you would find?  
The thing is 9 to 5  
And a struggle to survive  
Ain't exactly what you had in mind.  
But that's the beauty of life,  
It takes a while to find,  
And you can't have things your own way all the time

Hey, you know you're gonna live  
To find another day,  
It's just today things ain't so good.  
Get yourself back again,  
You've got so much love  
That you can't afford to lose

Goodbye Heartbreak  
Don't look for me  
'Cause I don't need you now  
So long heartache  
Don't look for me  
'Cause I don't need you now  
I don't need you now  
I don't need you now  
I don't need you now  
Hey  
I don't need you now  
I don't need you now  
I don't need you now  
Hey

Goodbye Heartbreak  
Don't look for me  
'Cause I don't need you now  
So long heartache  
Don't look for me  
'Cause I don't need you now  
I don't need you now  
I don't need you now...  
Aint so good  
That you can afford
