

# Lighthouse Family, Ocean Drive

Say it's true  
Pink and blue  
I can share your situation  
Keep hold on our  
Emotions they  
Will only make us cry

And you go  
But I don't know  
What you know  
It ain't so serious anyway

When the clouds arrive we'll live on Ocean Drive

Don't know why  
You're so blue  
The suns gonna shine on everything you do  
And the sky  
Is so blue  
The suns gonna shine on everything you do

He left you  
Black and blue  
Without a word of explanation  
And he took your love  
For granted and  
He left you and high dry

But you know  
Someday  
Well you'll wonder what  
You see in him anyway

When that day arrives we'll live on Ocean Drive

Don't know why  
You're so blue  
The suns gonna shine on everything you do  
And the sky  
Is so blue  
The suns gonna shine on everything you do

Don't know why  
You're so blue  
The suns gonna shine on everything you do  
And the sky  
Is so blue  
The suns gonna shine on everything you do

Don't know why  
You're so blue  
The suns gonna shine on everything you do  
And the sky  
Is so blue  
The suns gonna shine on everything you do
