

Lighthouse Family, You're A Star

Well I try not to think about you,
And I know I can get on without you,
But it all seems to be so hollow,
Maybe you'll come back tomorrow.

And when they make you feel like you're no-one,
And when they make you feel like you just don't matter,
You gotta get back on a good one,
You don't need this at all.

Don't let it get you down,
Don't let it break your spirit,
Keep your head in the clouds,
Like a star.

Am I out of my head or something?
Am I beatin' myself up all over nothing?
Does it all have to be so much trouble?
Is it all just because of you?

And when they make you feel like you're no-one,
And when they make you feel like you just don't matter,
You gotta get back on a good one,
You don't need this at all.

Don't let it get you down,
Don't let it break your spirit,
Keep your head in the clouds,
Like a star.

Don't let it get you down,
Don't let it break your spirit,
Keep on tellin' yourself
You're a star.

Don't let it get you down
Don't let it break your spirit,
Keep your head in the clouds,
Like a star.

Don't let it get you down,
Don't let it break your spirit,
Keep on tellin' yourself,
You're a star.

Keep on tellin' yourself,
You're a star.
Keep on tellin' yourself,
You're a star.
Keep on tellin' yourself
You're a star.
