## Lighthouse, One Fine Morning

One fine morning, girl, I'll wake up Wipe the sleep from my eyes Go outside and feel the sunshine Then I know I'll realize That as long as you love me, girl, we'll fly

And on that mornin' when I wake up I'll see your face inside a cloud See your smile inside a window Hear your voice inside a crowd Calling, "Come with me baby and we'll fly"

Yeah, we'll fly-y-y, yeah, we'll fly We'll fly-y-y, yeah, we'll fly

And on that mornin' when I wake up We'll go outside and live our dreams I'll buy you candies made of stardust And little dolls dressed up in moonbeams And everywhere we go we'll laugh and sing

I'll kiss you morning, noon and night And all the universe will smile on us 'Cause they know that our love is finally right

Yeah, we'll fly-y-y, yeah, we'll fly We'll fly-y-y, yeah, we'll fly

Yeah, we'll fly to the east, we'll fly to the west There'll be no place we can't call our own Yeah, we'll fly to the north, we'll fly to the south Every planet will become our home

----- piano -----

Yeah, we'll fly-y-y, yeah, we'll fly Yeah, we'll fly to the east, we'll fly to the west There'll be no place we can't call our own We'll fly to the north, we'll fly to the south Every planet will become our home
