

# Lighthouse, Pretty Lady

I see you each morning  
And in silence I say  
Pretty lady, I love you  
But I know there's no way  
That you'd consider my love, girl  
'Cause you don't have the time  
So I try to conceal it  
So you can't read my mind

But all I want to do, pretty lady  
Is see you smiling too, pretty lady  
Maybe once in my life be making love to you  
Yeah, all I want to do, pretty lady  
Is see you smiling too, pretty lady  
Maybe once in my life be making love to you

Every day I keep hoping  
That I may see a sign  
That'll give me a chance, girl  
To be first in your eyes  
But I just go on waiting  
Every day it's the same  
And all my friends keep on saying  
You're a fool who loves pain

But all I wanna do, pretty lady  
Is see you smiling too, pretty lady  
Maybe once in my life be making love to you  
Yeah, all I want to do, pretty lady  
Is see you smiling too, pretty lady  
Maybe once in my life be making love to you

I'm beginning to wonder  
If you know I'm alive  
Every day it gets harder  
To feel good when I rise  
If I'd just get the chance, girl  
You would feel what it's like  
To be loved every morning  
Every day, every night

'Cause all I want to do, pretty lady  
Is see you smiling too, pretty lady  
Maybe once in my life be making love to you  
Yeah, all I want to do, pretty lady  
Is see you smiling too, pretty lady  
Maybe once in my life be making love to you  
Yeah, all I want to do, pretty lady  
Is see you smiling too, pretty lady  
Maybe once in my life be making love to you
