My grandpa he shouts for joy  
Been takin&#039; care of me ever since I was a boy  
He getting old now  
And he really is  
Really I know it &#039;cause I&#039;m old myself

My grandpa says son, take me a walkin&#039;;  
Say I wanna go where&#039;s the coolest place you know  
I say why, grandpa?  
&#039;Cause grandpa&#039;s getting old

Tell all you people, done want you to understand  
Grandpa once have been a young man  
He getting old now  
He&#039;s getting to be an old man  
He can&#039;t remember &#039;morrow, but he still understands

He look at me and he say, what&#039;s this all about?  
Give me my pipe son, and he had it in his mouth  
He&#039;s an old man, you know he don&#039;t got the mind,  
You see he don&#039;t hardly know what he&#039;s doing  
But he&#039;s still my grandpa  
But he ain&#039;t nothin&#039; else to turn

Tell all you young people, I don&#039;t mean no harm  
I just want you to leave my grandpa alone  
He says I&#039;ve got old now, have pity on me

If you bother my grandpa,  
I&#039;m the one you gotta see

My dear old dad.
