

# Lightspeed Champion, Tell Me What It's Worth

Crack open the good times  
On a street corner busting rhymes  
but you fell between the lines.  
They all laugh, become a joke  
Have a crazy baby let's all hope  
for no holes, crunching drums  
I've got the sweet sugar but that's all.

Tell me what it's worth  
Tell me what it's worth

So tell us that we're doing everything wrong  
Niggas turn a blueish-grey when they're dead  
That's funny cos ive just turned bright red  
RED RED RED

Kill, kill, kill and everything starts to suck  
Drownin all your sins boy gets us bad luck  
Or the fact that your racists's are full of shit  
I've got the sweet sugar but that's it.

Tell me what it's worth  
Tell me what it's worth  
woah woah  
Clean your blades and keep swinging  
don't stop till the red runs out  
Till the joy pours out of your mouth

Tell me what it's worth (Don't, dont stop till the red runs out)  
Tell me what it's worth (Don't, dont stop till the red runs out)  
Tell me what it's worth (Don't, dont stop till the red runs out)  
Tell me what it's worth (Don't, dont stop till the red runs out)  
woah woah
