

Lil Baby, Coupe (feat. Offset)

Jump out the coupe
Jump out the coupe
Jump out the coupe
Jump out the coupe
Jump out the coupe

Jump out the coupe
We balling no hoop
Jump in and check on the thot
It's a hunnid for my watch
They said they come push a robot
I'm on a yacht with a yacht
Shawty was playing and got shot
Money in the ground start to rot
Jump out the coupe
We balling no hoop
Jump in and check on the thot
It's a hunnid for my watch
They said they come push a robot
I'm on a yacht with a yacht
Shawty was playing and got shot
Money in the ground start to rot

Hunnid racks stacked in a spoiler
This money so dirty got a hoarder
I tape a brick to senora
Go ahead and go cross the border
Diamonds that hang like a ornament
Sipping on lean like a pharmacist
Me and my money got partnerships
Two hundred cash to the dealership
That bitch got that sack and then we flipped the bitch
Hit the bitch, quit the bitch
Sucking on dick like licorice
Hit her one time and get rid of it
I'm giving these thots there wish list
Hunnid round drum that's a biscuit
Blocked her, she on dismissed list
My diamonds so cold it's a fixed wrist

Jump out the coupe
We balling no hoop
Jump in and check on the thot
It's a hunnid for my watch
They said they come push a robot
I'm on a yacht with a yacht
Shawty was playing and got shot
Money in the ground start to rot
Jump out the coupe
We balling no hoop
Jump in and check on the thot
It's a hunnid for my watch
They said they come push a robot
I'm on a yacht with a yacht
Shawty was playing and got shot
Money in the ground start to rot

They thought I wouldn't make it but now I'm inside it
Standing ovation, moment of silence
Hope out the coupe, with the FN beside me
Bitch from the islands, yeah she exotic
Ain't got no love for no thot
Bitch is you fucking or not
This a sixty thousand dollar watch

I just fish-tailed off the lot
Got it right back out the pot
A young nigga make the hood hot
And fuck it gon' get a new spot
Said fuck it gon' get a new spot

Jump out the coupe
We balling no hoop
Jump in and check on the thot
It's a hunnid for my watch
They said they come push a robot
I'm on a yacht with a yacht
Shawty was playing and got shot
Money in the ground start to rot
Jump out the coupe
We balling no hoop
Jump in and check on the thot
It's a hunnid for my watch
They said they come push a robot
I'm on a yacht with a yacht
Shawty was playing and got shot
Money in the ground start to rot
