

Lil Baby, Drip Too Hard

You can get the biggest Chanel bag in the store if you want it
I gave 'em the drip, they sucked it up, I got 'em moanin'
I bought a new Patek, I had the watch, so I two-toned 'em
Takin' these drugs, I'm gon' be up until the mornin'
That ain't your car, you just a leaser, you don't own it
If I'm in the club, I got that fire when I'm performin'
The backend just came in, in all hundreds
Fives galore, cute shit, they all on us
I'm from Atlanta where young niggas run shit
I know they hatin' on me, but I don't read comments
Whenever I tell her to come, she comin'
Whenever it's smoke, we ain't runnin'

Drip too hard, don't stand too close
You gon' fuck around and drown off this wave
Doin' all these shows, I've been on the road
I don't care where I go, long as I get paid
Bad lil' vibe, she been on my mind
Soon as I get back, she gettin' slayed
Do this all the time, this ain't no surprise
Every other night, another movie gettin' made
Drip too hard, don't stand too close
You gon' fuck around and drown off this wave
Doin' all these shows, I've been on the road
I don't care where I go, long as I get paid
Bad lil' vibe, she been on my mind
Soon as I get back, she gettin' slayed
Do this all the time, this ain't no surprise (yeah)
Every other night, another movie gettin' made

Yeah, every other night, another dollar gettin' made
Every other night started with a good day
I feel like a child, I got boogers in the face
Diamonds dancin' in the dark like this shit is a parade
I don't want your chain, Young GonWunna not a slave
I had to draw the line, too many bitches gettin' saved
TSA harass me, so I took a private plane
These pussy niggas lackin', why I'm workin' on my aim
Drip too hard (too hard), charge it to the card (to the card)
Designer to the ground, I can barely spell the names
Drip too hard, caution on the floor
You gon' fuck around and drown tryna ride a nigga wave

Drip too hard, don't stand too close
You gon' fuck around and drown off this wave
Doin' all these shows, I've been on the road
I don't care where I go, long as I get paid
Bad lil' vibe, she been on my mind
Soon as I get back, she gettin' slayed
Do this all the time, this ain't no surprise
Every other night, another movie gettin' made
Drip too hard, don't stand too close
You gon' fuck around and drown off this wave
Doin' all these shows, I've been on the road
I don't care where I go, long as I get paid
Bad lil' vibe, she been on my mind
Soon as I get back, she gettin' slayed
Do this all the time, this ain't no surprise
