

Lil Baby, Life Goes On

Trap house, Jeep goes too fast
I don't even wear no seatbelt seatbelt
Bad lil' bitch got no breasts no breasts
Upgrade, now she got D-cups D-cups
Hop out the Range, I'm blowin' blowin'
Who is Lil Baby? He goin' in goin' in
Man these old rappers gettin' borin' borin'
They be takin' shots, I ignore them ignore them
Send them packs to the hood while I'm tourin' tourin'
Makin' plays out of town like I'm Jordan scorin'
Need to go get your ho 'cause she whorin' scorin'
If her ball come my way I'ma score it scorin'
Lamborghini, I don't want no Porsches Porsches
I'm on fire, don't touch me, I'm torchin' torchin'
Had to fix all my teeth, I went porcelain porcelain
Put the town on my back, I'm a horseman horseman
One more year, I'ma make it to Forbes' List Forbes' List
They love me in the Bay like E-40 40
I be sittin' exotic on Moreland Moreland
Ain't no strings attached, keepin' it cordless cordless
She keep callin', but I keep ignorin' it
Ain't no stoppin', I'm keepin' it floorin' it
Man these niggas can't stop me, I'm goin' in
Man these niggas can't stop me, I'm goin' in

Every time the pack get gone, I get another load 'nother load
My main bitch tryna leave me 'lone 'cause I fucked another ho 'nother ho
I'm like, "Baby, I know I'm wrong, but this just how life goes how life goes
And I know these niggas'd be happy if I let you go oh no, no"
Got me walkin' on a thin line, on my tippy toes tippy toes
Man this shit crazy, different city with some different hoes, here we go
