

Lil Baby, On Me Remix (Feat. Megan Thee Stallion)

Fill the bando up with bands
Give the lil bro tchem a job
You can come get rich with us
You gone eat or you gone starve
Keep a certified hittas and i pay him not to rob
Hop out 2020 Cullinan and i am ridding in a star
Know some people hate that
It reak he still ain't tkae the chargé
Why shy talkin' crazy bout me
Like i don't do more than my part
I can't play with my creation
Give the world to my lil boy
I been saving more than i been spending that's what i be on
I am a human i am not perfect
I know sometimes i be wrong

I am like come and put that pussy on me
Don't be running form me
If i like it i spend money on it
Get whatever from me
Put six figures in your business
I do real shit
I drop cash at he dealership
They'll you a pink slip
She make sure she keep her mails did and her wig fixed
Went to jail and that one held me down
She a real bitch
Hundred rounds in this double drum
It's a kill tent
Marco been in prison for a while
But he still flexin'

[Megan:]
This ain't tag why you running from me
Suck it while he cummin'
When i do my little dance
Get the Kelly and the Birkin
If he act up i don't give a fuck
I am a ruch bich
I'll be damned if a nigga have me cryin' in the whip
Ok he sensitive when it come to me
Talk shit like he running me
He'll leave out and come right back
Cause he know tchem bitches can't fuck with me
I don't know what chain i am putting on my Cuban link or my tenis
I know bitches gotta be losing money
How they keep watching me winning
Told him boy since ypu keep looking at it
Might as well go Ahead and spend it
Make a mooe
Aby you know what to do

I am like come and put that pussy on me
Don't be running form me
If i like it i spend money on it
Get whatever from me
Put six figures in your business
I do real shit
I drop cash at he dealership
They'll you a pink slip
She make sure she keep her mails did and her wig fixed
Went to jail and that one held me down
She a real bitch
Hundred rounds in this double drum

It's a kill tent
Marco been in prison for a while
But he still flexin'

I am like come and put that pussy on me
Don't be running form me
