Yeah I'm rich and I'm pushing weight, that's why niggas hate
Bad bitch, she done sucked me up for them brand new J's
Trap nigga, six phones, doin' at least a brick a day

I fucked that bitch like a pit
I told her her boyfriend a piss
Hundred-fifty thousand dollar bitches on deck
Set up shop, and I got some red in the red rock
Actavis make me sit it down like I can't walk
Go to that skirt, it's a box
Stand up guys get slaughtered

I can never be like Quan
Ranned up way too many coins
Anyway I act flamboyent
Nigga been a gangster since born
Nigga killed theyself, I warned
Niggas goin' broke and it's showin'
