Trade my 4x4 g63  
Ain't no more free lil steve  
I gave 'em Chance and Chance and chance again  
I even done told tchem please

I find it crazy the police will shoot you  
And kno wthta you dead  
But still tell you to freeze

Fucked up  
I seen what i seen  
I guess that mean hold him down if he say  
Je can't breathe

It's to omany morthers that's grieving  
They killing us for no reason  
Been going on for too long to get even

Thhrow us in cages liek dogs and hyenas  
I went to court and they sent me to prison  
My mama was crushed  
When the said i can;t leave
