

# Lil Baby, Toast Up (feat. Ali Tomineek & ShadOnTheBeat)

I ain't sold no bags in a minute  
I can't speak for none of the rolls  
What they do, that ain't my business  
They see Hellcat when I ride, not no ....(Skrtr, skrtr)  
Image all-authentic, I ain't had to put no image  
Multi-millionaire, I'm still rocking Dickies  
Just got off the phone with Pee  
He told me, "I ain't got no limit"  
I'm a superstar, I still be in the trenches  
I can't rock with none of you busters, man  
I swear to God, I'm different, ayy  
Thousand pair of white Air Force Ones, I signed with Finish Line  
I'm just waitin' on your favorite cappin' rapper to finish lyin'  
They already know what's up, don't play with him, give me mine  
Tried to tell 'em that I was the one, I gave 'em plenty signs  
Forgiato rider, I got them on everywhere  
Now I'm...in Bentleys with Doritos, I need my chip  
I know if you stay down, you'll go far, go hard, don't trip  
Look at me, I'm shining like a light from my neck to my wrist, woah  
I just brought a war to the hood so we can toast up  
I can't even say how much I'm getting for a show  
I be tryin' to dodge the blogs, I'm tryin' to keep it on the low  
In the studio, I'm going hard, I swear I'm 'bout to blow

Yeah, alright, a moment  
Look at what I done started (Nah, nah)  
I gotta finish this, I'm tired of talkin' (Shh)  
Yeah, I manifested this, my mind the sharpest, ayy  
I ain't talkin' no magic, no, no flying carpet  
Check it, this ain't no Aladdin (Nah)  
Hopped on a plane to Atlanta  
Knew I was finna take over the planet (Yeah)  
I'm talking as soon as I landed (Woo)  
What you know about red-eye flights? (What?)  
What you know about sleepless nights? (What?)  
Only way to see that life, man, you gotta speak that life  
And I put that on my dogs (Yeah)  
And I put that on my squad (Bah)  
And I put that on my moms  
I'm taking my city right up to the stars  
Taking my city right up to the top (Brr)  
I done linked up with Rashad (Yeah)  
Heard a beat like, "Oh my God" (Woo)  
Yeah, Doritos need that spark  
No this ain't what it seem like (Nah)  
This ain't overnight  
I been doing this since I was knee-high  
Homie, they know me, they know I lead  
Don't need no I.D  
I'm thinkin' I'm b-i-g time  
Walk in the V.I.P. line with Lil B-a-b-y  
Yeah that's a strong, flex, mm, yeah  
It's for certain, I put that work in  
No, it ain't really that complex, mm  
Now I'm taking calls with Complex, mm  
Let's make a toast (Ah)
