How many down to my sock  
Can't hold my Glock, reason I don't really like that shit (Nigga, I don't)  
Young turnt nigga, can't wife no bitch (At all)  
Excuse my French, don't like no bitch (Nope)

Seen my bitch broke bad, I ain't had a heart  
Skrrt, yeah, that's us  
Two-tone AP, yeah, I'm bust  
Got the head from her, I ain't even wanna fuck (Fuck her)  
Why? Slut, bye (Fuck on)

Old nigga tellin' on bro, should've died  
No, he ain't kill 'em, dawg, he ain't even try  
Still I let my last shooting dice in the hood  
Take who chain? Nah bitch, not Dugg's

Courtside tickets, spillin' Wock' on the wood

First turnt nigga from the hood, they curious

I got your BM wan' put on Amiris  
First young nigga in the A2 Lam'  
Run up fourteen mil', started fourteen grams (Same day)  
Dope boy Dickies and diamonds and Timbs  
You shouldn't play with that boy, he is not one of them

Bro, I kept taking L's, finally got me a M  
Still making double, I don't call what I spend  
S550 2018

Young turnt nigga from the D to the A

Used to dream about gettin' it, now I got it, I don't drive  
I had a spot like a varsity, what did you have?  
You buy twenty, I'll front what you buy  
I put on drip, I believe I can I fly  
Niggas know that I'm rich, but they know not to try  
I had a show in Detroit and I stopped at Revive  
And spent fifty on all the guys  
All of these hoes in these stores make commission  
And plus I'ma tip 'em, they holdin' my size  
Get in your car and just put on your flashers  
And follow the hearse since you say you gon' ride  
'Cause somebody gon' die if they fuck with us  
Turn a five to a dime, that's a double up  
Fuck around, walk through church with my double cup  
This shit a habit, I'm prayin' I give it up  
Tiger stay with the wood, make 'em give it up

Know I ran through a mil' every week off of weed  
Bro beat the trap, I can get me some sleep  
Got a backend to pick up, I won't even leave  
Run it up, fuck around, give the 'Vette to DT  
Keep a hotboy with me, I got love for BG  
Chasin' this paper since twelve or thirteen  
Runnin' 'round in these streets, it was me and Marquise
